

### REMARKS

Applicant is filing this continuation application to prosecute additional aspects of the invention as disclosed. In order to expedite prosecution, and without any admission of necessity, applicant submits a terminal disclaimer referring to U.S. Patent Nos. 6,441,119 and 6,673,888, which issued on parents of this application.

In light of the foregoing, early action allowing claims 13-22 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952, referencing docket number 279222000502.

Respectfully submitted,

Dated: January 5, 2004
